

Getting to Aspen Summit Wellness and Counseling

Coming from the West (Loveland, Windsor, etc)

Head east on Business Loop 34, also known as West 10th Street in Greeley.

Turn right onto 37th Avenue Court, and continue around the bend. Some GPS systems may try to lead you into the large parking lot which has several buildings including various insurance agencies and offices. Ignore this first turn, and instead, head until you see the Bitter Sweet Plaza building complex (which houses Tail Wagners, Safeway, and so forth). Turn into this alleyway, you will be heading south. You can park anywhere in this area. Aspen Summit is in the furthest South building, and has several pillars. As you approach the building, take a left down the stairs. You will have arrived!
